REPORTING SIGNIFICANT STORM DAMAGE

Officials in Gloucester County are compiling damage information to county residences and businesses caused by Tropical Storm Michael. If substantial damage occurred to single-family homes, multi-family homes, mobile homes, business/industry facilities and non-profit organization facilities, please contact the Department of Emergency Management at 693-1390 from 8:00 a.m. to 4:30 p.m., Monday-Friday to provide damage information. Only substantial damage to primary structures should be reported and does not include outbuildings, fences, vehicles, motorcycles, watercraft, piers/boatlifts or other non-residential, business or personal properties.
