

# Recycle!

## Across

1. Recycling this reading material would save trees
3. To make something new out of something old
5. Used to fertilize your garden
8. Trash left behind
10. Used to make carpet fiber
13. To save energy
15. When you don't bag your grass
16. When recycled this never loses its quality

## Down

2. "Give a Hoot, Don't \_\_\_\_\_"
4. Something to do with clothes that no longer fit
6. Used to make soda cans
7. To use less of something
9. To use an item for another purpose
11. Where trash items end up
12. To prevent waste
14. What we need to save for future generations
