WXGM

Please announce the following Public Service announcement for Monday and Tuesday
July 20-22, 2009.

As part of the ongoing road improvement project along Route 17, there will be a scheduled water outage on Tuesday night, July 21, 2009. The outage will commence at approximately 10 PM and last for until 5:30 am. A tentative rain date will be Wednesday July 22, 2009. The area will include customers along the north bound lanes of Route 17 from Lafayette Heights Drive to the Gloucester Point Shopping Center and a small section of Greate Rd. . The work is required in order that newly constructed water lines can be placed into service. For further information you can contact the Gloucester County Utilities Office at 693-4044.

Thank you for your assistance.
