COMMENTS SOUGHT ON GLOUCESTER BUDGET New Website Provides Info & Comment Form

An important part of Gloucester County's budget process is hearing from citizens and receiving comments and suggestions about budget priorities and service levels. In an effort to provide Gloucester citizens with an easy and convenient way to share their thoughts and ideas, an online comment form has been designed as part of a new budget information webpage.

In addition to the online citizen comment form, the webpage features the complete FY10 proposed budget, an informative PowerPoint presentation and a schedule of public meetings and work sessions.

The webpage is accessible through the county's website at www.gloucesterva.info by clicking on the first link on the left. Citizens are encouraged to go online, view the information and share their comments.

For more information, please contact the Gloucester Department of Community Education at 693-5730.
