

## Youth and Gang Violence in Gloucester: FACT OR FICTION?

In the second series of community forums aimed at reducing youth and gang violence, the Partnership on Youth Violence Prevention in coordination with Gloucester County Public Schools and the Gloucester County Sheriff's Department, give you a closer look into youth issues affecting the county and how agencies are combating these challenges.

**Make plans to join us on:**

**Wednesday, January 28, 2009**

**from 6:30 – 8:00 pm**

**at Page Middle School**

- Learn about indicators of gang activity and prevention strategies
- Hear what the county is doing to proactively address youth violence and gangs
- Be one of the first to view the new gang video developed by the Attorney General's Office
- Bring questions and comments that you want to share regarding these issues

***WARNING: The video that will be shown during this forum includes graphic images and language that may be inappropriate for young people under the age of 18. If you bring your child that evening, space will be provided for them while the video is being viewed.***

The forum is being sponsored by The Partnership on Youth Violence Prevention, a regional collaboration between peninsula area schools and law enforcement agencies aimed at preventing youth violence and gangs in the area, in cooperation with Gloucester County Public Schools and the Gloucester County Sheriff's Department.
