LIBRARY BOARD NEEDS REPRESENTATIVE FROM GLOUCESTER POINT

There is a vacancy on the Gloucester Library Board due to a recent resignation of a community member residing in the Gloucester Point Magisterial District. While appointments to the board are considered "county-wide" the Library Board seeks representation from all five Magisterial Districts of the county. Interested community members from the Gloucester Point Magisterial District are encouraged to submit a Gloucester County Volunteer Board Bank interest form. Others who may be interested in serving when vacancies become available may also submit an interest form.

The form is available on the Gloucester County web page at www.gloucester.va.info. Just click-on "E-Services" and select "Boards/Committees Online". You can complete a Volunteer Board Bank form online or you may contact the Department of Community Education at 693-5730 for assistance.

The Gloucester Library Board provides general supervision of the operation of the Gloucester Library System and adopts policies as needed for the guidance of library services and resources. The board meets at 7 p.m. on the second Monday of the month from January to June and September to November. For more information on the board please contact the Gloucester Library Director, Melissa Malcolm at 693-2998 or mmalcolm@gloucesterva.info.
