RAIN BARREL MAKING CLASS

A little rain goes a long way! Tidewater Soil & Water Conservation District is holding a Rain Barrel Making Class on Saturday, May 30th. Conserving time, energy and money is at the fore-front and this two-hour workshop allows participants to create a rain barrel to take home. Rain barrels are essential for every yard – giving you access to free water for use in your garden, especially during the sweltering summer months. The deadline is May 15th. Class fee is \$20 per person, Saturday, May 30th, 10:00 am – 12:00 pm at the Whitcomb Lodge, Beaverdam Park. Checks are payable to Tidewater SWCD. To register for this class, please call the Tidewater SWCD at 693-3562, extension 5.
