- bats not listed here, may not be used, this list will be updated when ever new information is obtained
- if your bat is not listed here, please bring proof that the bat is a “PURE SINGLE WALL” bat to PR&T for approval, UPON APPROVAL it will be added to the list and may be used
- anyone using an illegal bat will be suspended, suspensions may be for the rest of the season
- the team involved with illegal bat use will forfeit that game, upon a second offense the team will be suspended from the league and all prior games will be declared forfeits
