

A detailed oil painting of a vintage, rusted blue truck with a large red fender. The truck has "GLOUCESTER FARMS" and "EST 1929" painted on its side. A large bouquet of white daffodils with yellow centers is placed on the red fender. The foreground is filled with a dense field of similar daffodils. The artist's signature "Timothy Hale" is visible in the bottom right corner.

2001 Daffodil Festival Poster by Tim Hale
