By signing the Mosquito Release form, the requesting citizen acknowledges that he/she is fully aware of the above information.

You must provide a sketch each year of your house and septic system, small shrubbery, and other items that we would need to avoid. Do not identify a route for the truck, as it will travel the path most conducive to the conditions of that particular application (i.e., wind, ground conditions, etc.).

Mosquito Control Commission* means the commission established by Gloucester County Ordinance Chapter 9.5, Article 11 for the five mosquito control districts. In general the districts are:

1. Chiskiake Village, York River Pines, and York Shores
2. Powhatan Chimney 3. Dunlop Woods 4. York 5. Abingdon

Mosquito Control Operations are scheduled to start in your area the first week of May. If you exceed the effective swath area of the chemical (150 feet from the road) and would like the truck to come on your property, **you must fill out the form** on the reverse side of this paper **and return it** by either:
