IMPORTANT EMERGENCY INFORMATION

Gloucester Launches Resource Center for Residents Seeking COVID Vaccination Information

FOR IMMEDIATE RELEASE

DATE: 1/19/2021

TIME: 1:00 p.m.

Contact: Quinton Sheppard, Public Information and Marketing Coordinator

Phone: 804-693-5730

Email: qsheppard@gloucesterva.info

Gloucester County launched a COVID-19 Vaccination Resource Center on Tuesday in coordination with and in support of the Three Rivers Health District, our regional office of the Virginia Department of Health (VDH), covering the 10 counties of the Middle Peninsula and Northern Neck. The call center, which can be reached by dialing 804-824-2733, will be operational Mondays through Fridays from 8:30 a.m. until 4:30 p.m., excluding state holidays.

While the Vaccination Resource Center is being operated by Gloucester County staff members, VDH representatives are also on hand to support County staff and help answer citizen questions related to the COVID-19 vaccine. In addition to the newly activated Vaccination Resource Center, residents are encouraged to visit vdh.jebbit.com/amkwk6m1 to fill out a form and be notified when the vaccine is available to them.

Call volumes into the Vaccination Resource Center are expected to be very high for the foreseeable future. Residents are asked to remain patient and keep trying if all lines are busy when attempting to call in.

Additional information is also available on VDH's Vaccine Response website at vdh.virginia.gov/covid-19-vaccine/.
