### **Gloucester County's Restaurant Industry Shows Positive Growth During Pandemic**

Gloucester County is experiencing an influx of new restaurants despite the pandemic. Restaurant owners say their Gloucester locations are exceeding expectations. Owning a restaurant in Gloucester is unique because in addition to serving local residents, restaurateurs serve residents from several other localities on the Middle Peninsula. This equates to over 80,000 customers supporting the local economy.

The five recently opened restaurants are: Creekside Café and Market located at 6824 Coleman Crossing Avenue in Hayes; Jersey Mike's Subs located at 6828 Walton's Lane in the Fox Mill Centre; Tacos Vamonós located at 7088 Hayes Shopping Center, Unit 1, Tropical Smoothie Café located at 6691 Fox Centre Pkwy in the Fox Mill Centre and The Farmasea Restaurant located 6764 Main Street. Days and hours vary so check the restaurants' websites for more information.

Gloucester restaurants are very diversified offering something for everyone's tastes. "We have great restaurants in Gloucester and each offer great dining experiences", said Sherry Spring, Director of Economic Development. "On behalf of the Board of Supervisors and the EDA, we welcome these new restaurants to Gloucester and wish them many years of success," added Stephen Barrs, Chairman of the Gloucester's Economic Development Authority.
