- Accompanying this application shall be the required application fee of $100 and a minimum of:
  - Three (3) draft copies of the plat for minor subdivisions
  - Five (5) draft copies of the plat for major subdivisions
- Prior to final approval for a minor subdivision, eight (8) paper copies signed and notarized will be required.
- Prior to final approval for a major subdivision, twelve (12) paper copies of the plat signed and notarized shall be required.
- **Pursuant to §5.5-6 of The Chesapeake Bay Preservation Ordinance, all lots shall have sufficient area outside the RPA to accommodate the intended use. Therefore, RPA shall be shown on all plats; if RPA is not present, a note shall be provided indicating that RPA is not applicable.**
- Lots of ten acres or less must be shown in their entirety.

* *A minor subdivision is any subdivision of no more than 3 lots, including the parent parcel, and in which no new street is extended. Extension of an existing street is considered a new street.*

As property owner, I hereby grant permission to the designated personnel of Gloucester County, and any other agency deemed appropriate by Gloucester County, to enter the above reference property for purpose of review of the proposed application.
