PRIVACY ACT STATEMENT: Information provided in this application will be used in the permit review process and is a matter of public record once the application is filed. Disclosure of the requested information is voluntary, but it may not be possible to evaluate the permit application or to issue a permit if the information requested is not provided.

CERTIFICATION: I am hereby applying for all permits typically issued by the County of Gloucester for the activities I have described herein. I agree to allow the duly authorized representatives of any regulatory or advisory agency to enter upon the premises of the project site at reasonable times to inspect and photograph site conditions, both in reviewing a proposal to issue a permit and after permit issuance to determine compliance with the permit. In addition, I certify that this document and all attachments were prepared under my direction or supervision and the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware of penalties pursuant to Section 15-10 for violation to the Gloucester County Zoning Ordinance for submitting false information.

It is the applicant's responsibility to ensure compliance with all applicable local, state and federal regulations required for the proposed use.

I, _____,
of (address) _____ affirm that I am the owner
of a certain tract or parcel of land located at _____ and that I have applied for a building permit. I affirm that I am familiar with the prerequisites of Section 54.1-1111 of the Code of Virginia and I am not subject to licensure as a contractor or subcontractor.

(Affiant signature)

Signed and acknowledged in the county of Gloucester, VA, on the _____ day of _____, 20____, in the presence of the undersigned witness.

(Witness)

To be signed only if property is located in a flood zone:

Federal law requires that a flood insurance policy be obtained as a condition of a federally backed mortgage or loan that is secured by the building. Flood insurance is available in Gloucester County.

_____ A determination of the building's exact location cannot be made on the FIRM. A copy of the FIRM is attached for your information.

NOTE: This determination is based on the Flood Insurance Rate Map for the County. This statement does not imply that the referenced property will or will not be free from flooding or damage. A property not in a Special Flood Hazard Area may be damaged by a flood greater than that predicted on the FIRM or from a local drainage problem not shown on the map. This statement does not create liability on the part of the County, or any officer or employee thereof, for any damage that results from reliance on this determination.

Building Inspection staff has explained the requirements in Chapter 8.5 of the Gloucester County Code entitled "Floodplain Management" to me. I understand that it is my responsibility to have the "under construction" and "finished construction" elevation certificates completed and signed by a certified engineer or certified land surveyor and returned to the Building Inspection office.
