Inquiries regarding this solicitation should be directed by email to Bill Lindsey, at blindsey@gloucesterva.info

TERMS AND CONDITIONS

1. **Governing Laws and Courts:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and ordinances of the County of Gloucester, Virginia. Any litigation with respect thereto shall be brought in the courts of Gloucester County, Virginia. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations (§ 15.2-1235, *Code of Virginia*).
2. **Anti-Discrimination:** By submitting their proposals, offerors certify they will conform to the provisions of the *Federal Civil Rights Act of 1964*, as amended, as well as the *Virginia Fair Employment Contracting Act of 1975*, as amended, where applicable, the *Virginians With Disabilities Act*, the *Americans With Disabilities Act* and § 2.2-4311 of the *Virginia Public Procurement Act* (VPPA). If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body (§ 2.2-4343.1E, *Code of Virginia*). In every contract over \$10,000 the provisions in "a" and "b" below apply:
 - a. During the performance of this contract, the Consultant agrees as follows:
 1. The Consultant will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Consultant. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 2. The Consultant, in all solicitations or advertisements for employees placed by or on behalf of the Consultant, will state that such Consultant is an equal opportunity employer.
 3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.
 - b. The Consultant will include the provisions of "1" above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each sub contractor or vendor.
3. **Ethics in Public Contracting:** By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or sub contractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.
4. **Immigration Reform And Control Act Of 1986:** By submitting their proposal, offerors certify that they do not and shall not during the performance of this contract, knowingly employ any unauthorized alien as defined in the *Federal Immigration Reform and Control Act of 1986, as amended* (§ 2.2-4311.1 *Code of Virginia*).
5. **Debarment Status:** By submitting their proposals, offerors certify that they are not currently debarred by the Commonwealth of Virginia or any government entity from submitting proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.
6. **Antitrust:** By entering into a contract, the Consultant conveys, sells, assigns, and transfers to the County of Gloucester all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the County of Gloucester under said contract.
7. **Clarification of Terms/Addenda:** If any prospective offeror has questions about the specifications or other solicitation documents, they should contact the buyer for this solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer and posted on the public posting board in Central Purchasing. Addendums may also be on the Gloucester Central Purchasing website. It is the offerors sole responsibility to ensure they have obtained any and all addenda prior to submittal of their offer. (§ 2.2-4316, *Code of Virginia*).

8. **Payment:** A. Payment terms shall be Net 45 days unless otherwise stated by the offeror on this solicitation. Alternative terms may be offered by the offeror for prompt payment of bills. B. Discount period shall be computed from the date of proper receipt of the Consultant's correct invoice, or from the date of acceptable receipt of the services, whichever is latest. C. The payment terms stated herein must appear on the Consultant's invoice. Failure to comply with this requirement may result in the invoice being returned to the vendor for correction. D. Late payment charges shall not exceed the allowable rate specified by the Virginia Prompt Payment Act. (1% per month) (§ 2.2-4352, *Code of Virginia*).

9. **Drug Free Workplace:** During the performance of this contract, the Consultant agrees to (i) provide a drug-free workplace for the Consultant's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Consultant's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Consultant that the Consultant maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a Consultant, the employees of who are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

10. **Availability of Funds:** It is understood and agreed between the parties herein that the County shall be bound hereunder only to the extent of the funds available or which may hereafter become available "subject to appropriation" by the Board of Supervisors for the purpose of this agreement, ref § 15.2 Chapter 25 *Code of Virginia*. It is further understood and agreed between the parties to any agreement resulting from this proposal that the County shall not be obligated to purchase or pay for services covered by this agreement unless and until they are ordered, delivered, and performed for the County.

11. **Precedence of Terms:** The General Terms and Conditions shall apply in all instances. In the event of a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions, the Special Terms and Conditions shall apply.

12. **Identification of Proposal Envelope:** If a special envelope is not furnished, or if return in a special envelope is not possible, the signed proposal should be returned in a special envelope or package, sealed and identified with the Offeror's Name, Solicitation Number, Due Date and Time.

13. **Late Proposals:** To be considered for selection, proposals must be received by Central Purchasing (or designated issuing office) by the designated date and hour. The official time used in the receipt of proposals is that time on the automated stamp machine in the Central Purchasing Office. Proposals received in Central Purchasing after date and hour designated are automatically non-responsive and will not be considered. The County is not responsible for delays in the delivery of mail by the U. S. Postal Service, private courier, or the Inter-Departmental County Mail System. It is the sole responsibility of the offeror to ensure that its proposal reaches Central Purchasing by the designated date and hour. If the County is closed for business at the time scheduled for the receipt of proposals, the proposals will be accepted on the next business day of the County, at the originally scheduled hour.

14. **Qualification of Offerors:** The Purchasing Agent may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services and the offeror shall furnish to the Purchasing Agent all such information and data for this purpose as may be requested. The County reserves the right to conduct any test/inspection it may deem advisable to assure the services conform to the specifications. The County reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Purchasing Agent further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Purchasing Agent that such offeror is properly qualified to carry out the obligations of the contract and to provide the services contemplated therein.

15. **Additional Information:** The County reserves the right to ask any offeror to submit information missing from its proposal, to clarify its proposal, and to submit additional information which the Purchasing Agent deems desirable. By submitting their offers, offerors certify they understand the terms and conditions, and if awarded a contract as a result of this solicitation, they will comply. They also understand that a violation of any of the terms and conditions may be a breach of contract and can result in default action being taken by the County.

16. **Award Notices:** Award(s) or Decision(s) to Award shall be posted on the public posting board in Central Purchasing, ref. § 2.2-4360, *Code of Virginia*. It may also be posted on the Gloucester County Central Purchasing's website.

17. **Protest of Award or Decision to Award:** Any Offeror who desires to protest the award or decision to award a contract shall submit such protest in writing to the Purchasing Agent no later than ten (10) days after the award or the announcement of the decision to award, whichever occurs first. The written protest shall include the basis for the protest and the relief sought. The Purchasing Agent shall issue a decision in writing within ten (10) days stating the reasons for the action taken. This decision shall be final unless the Offeror appeals within ten days by instituting legal action as provided in § 23-64 of the *Code of*

Gloucester County.

18. Assignment of Contract: The resulting contract shall not be assignable in whole or in part without the County's written consent.
19. Default: In case of failure to deliver the services in accordance with the contract terms and conditions, the Purchasing Agent, after due oral or written notice, may procure them from other sources and hold the Consultant responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the County may have.
20. Taxes, Fees and Surcharges: Sales to Gloucester County, Virginia are normally exempt from State sales tax. A State sales and use tax certificate of exemption (Form ST-12) will be issued upon request. Deliveries against this contract shall be free of federal excise and transportation taxes. The County's Excise Tax Exemption Registration Number is **54-6001312** and the School/ **54-6001313**. Additionally, no additional fees or surcharges may be passed to the County. This includes, but is not limited to any type of fuel surcharge.
21. Cancellation of Contract: The Purchasing Agent reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the Consultant. Any contract cancellation notice shall not relieve the Consultant of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
22. Contractual Disputes: In accordance with § 22-63 of the *Code of Gloucester County*, claims arising out of this contract, whether for money or other relief, may be submitted to the County of Gloucester, by submitting the claim in writing, with all necessary data and information to substantiate the claim attached, to the Purchasing Agent. The Purchasing Agent shall render his/her decision within thirty (30) days. The Consultant may then appeal the Purchasing Agent's decision to the County Administrator, whom shall render a final decision within forty-five (45) days.
23. Indemnification: Consultant agrees to indemnify, defend and hold harmless the County, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the Consultant or any services of any kind or nature furnished by the Consultant, provided that such liability is not attributable to the sole negligence of the using agency or to failure of the using agency to use the services in the manner already and permanently described by the Consultant.

SPECIAL TERMS AND CONDITIONS

1. Independent Contractor: The Consultant shall not be an employee of Gloucester County, but shall be an independent Consultant. Nothing in this agreement shall be construed as authority for the Consultant to make commitments, which shall bind Gloucester County or to otherwise act on behalf of Gloucester County, except as Gloucester County may expressly authorize in writing.
2. Supremacy Clause: Notwithstanding any provision in the offeror's response to the contrary, the offeror agrees that the terms and conditions contained in this solicitation shall prevail over contrary terms and/or conditions contained in the offeror's response.
3. Questions: Questions about the proposal are to be submitted in writing, referencing the proposal number, to the Purchasing Agent for this solicitation. Request for additional information or interpretations on instructions may also be addressed. Central Purchasing urges interested offerors to communicate concerns during the response period to avoid misunderstandings. Questions received less than five (5) business days prior to the proposal due date may not be answered. Questions may be answered by written addenda. All addenda issued by Central Purchasing shall become part of the specification and may be made part of the contract documents. Addenda will be distributed to all that are known to Central Purchasing to have received a complete set of solicitation documents. Addenda will also be posted on the Central Purchasing public bulletin board and may also be on the Gloucester County Central Purchasing's website. No addenda will be issued later than five (5) days prior to the solicitation due date, except an addendum cancelling or postponing a solicitation may be issued at any time prior to the receipt of offers.
4. Insurance: By signing and submitting a proposal under this solicitation, the offeror certifies that if awarded the contract, it will have the following minimum insurance coverage(s) at the time the contract is awarded.
Minimum Insurance Coverage(s) and Limits Required:
 - a. Commercial General Liability - \$1,000,000 per occurrence. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The County of Gloucester must be named as an additional insured and so endorsed on the policy.
 - b. Workers' Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include employer. Consultants who fail to notify the County of increases in the number of employees that change their workers' compensation requirements under the *Code of Virginia* during the course of the contract shall be in noncompliance with the contract.
 - c. Employer's Liability - \$100,000.
 - d. Professional Liability/Errors and Omissions - \$500,000 – per occurrence

5. **Ownership of Materials:** All data, material and documentation originated and prepared for the County pursuant to the RFP shall belong exclusively to the County and is subject to public inspection in accordance with the *Virginia Freedom of Information Act*. Trade secrets or proprietary information submitted by the offeror shall not be subject to public disclosure under the *Virginia Freedom of Information Act*; however, the offeror must invoke the protection of this section prior to the submission of the data or other materials to be protected and state the reasons why protection is necessary (§ 2.2-4342, *Code of Virginia*).
6. **Silence of Specifications:** The apparent silence of these specifications and any supplemental specifications as to any detail or the omission from the specifications of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and correct type, size and design are to be used. All interpretations of these specifications shall be made on the basis of this statement.

EXECUTIVE SEARCH SERVICES FOR AN ASSISTANT DIRECTOR OF UTILITIES

Purpose

Gloucester County requests offers from prospective service providers (hereinafter referred to as Offeror, Contractor or Consultant) to provide all labor, materials and supervision to perform a nationwide search for the employment of an Assistant Director of Utilities for Gloucester County, Virginia.

Background

Gloucester County is part of the middle peninsula region of Virginia that is bordered by the York River and lower Chesapeake Bay. The County is comprised of 288 square miles with a population of 36,858. Gloucester County is both rich in farmland and important to the Virginia fishing industry. It also has a significant retail corridor that traverses the length of the County which is adjacent to York County by the George P. Coleman Memorial Bridge. Gloucester County is nicknamed the “Daffodil Capital of the World”, and hosts an annual daffodil festival, parade and flower show. Further information regarding the County can be viewed at www.gloucesterva.info.

The Public Utilities Department water system consists of almost 100 miles of transmission and distribution piping, ranging in size from 2-inches to 16-inches, that provides approximately 1 million gallons of water per day to almost 5,100 customer accounts. The potable water provided to the Gloucester customers is a 50/50 blend of groundwater, treated at the Reverse Osmosis Plant, and surface water withdrawn from the Beaverdam Reservoir and treated at the Surface Water Treatment Plant.

The Gloucester sewer system consists of approximately 60 miles of gravity sewer and force main piping and 18 pumping stations that collect approximately 500,000 gallons of flow daily from approximately 1,700 customer accounts and transport that flow to the Hampton Roads Sanitation District for treatment and disposal. The Public Utilities Department consists of the following positions: Director; Assistant Director; Administrative Assistant; Utility Supervisor; Utility Inspector; Utility Foreman; 5 Utility Maintenance positions; 3 Customer Service positions; Water Plant Manager; 9 Water Plant Operators; 2 Water Plant Maintenance positions; and 3 Pump Station Maintenance positions.

The Assistant Utilities Director reports to the Director of Utilities and supervises/oversees the Utility Foreman, and the positions that report to that position, and the Customer Service staff. The Assistant Utilities Director also reviews/approves/manages design and construction of expansions of the water and sewer infrastructure.

An example job description for the assessor is attached.

Scope of Services

- Work with Gloucester County to develop an employment profile that defines the qualifications desired for an Assistant Director of Utilities that will serve as a guide during the search process.
- Through coordination with Gloucester County, provide a suggested format for the interview process and develop a list of potential interview questions.
- Provide Gloucester County with a detailed search work plan and schedule for the search process. At a minimum, this plan will include the Consultant’s and Gloucester County’s roles throughout the recommended process.
- Actively recruit individuals who have a high probability of success in meeting Gloucester County’s profile requirements.
- Conduct background checks of potential candidates and compare potential candidates (via resume and preliminary interviews) to the established characteristics and desired qualities established in Gloucester County’s profile.

- Assist Gloucester County in finalizing the list of top candidates to be considered for the interview process.
- Identify any support needed from Gloucester County staff.
- Provide technical, administrative, and logistical support for the interview process, site visits and any consulting fees related to the identification of a finalist for the position.

Submittal Requirements

Offerors are requested to submit a comprehensive and concise package that is bound in one volume that includes their detailed qualifications for all areas proposed below.

- **Experience:** Provide a narrative describing the firm’s experience and qualifications with conducting executive search services. At a minimum, describe how long the firm has provided the services and describe the breadth of services that has been provided by the Consultant. Experience with county and municipal governmental searches shall be described in addition to chief executive searches in related fields. Describe your organizational philosophy and the mission and values of your firm as it relates to providing client services. Identify if the firm is under any litigation that could negatively impact the ability to perform the services in a professional and time sensitive manner.
- **Staffing:** Provide names, occupations, qualifications and resumes of the staff members that would be tasked in conducting and managing the search services for Gloucester County. Identify your entities officers and directors, management structure, organizational chart and project teams. Explain staff assignments of the various steps in the anticipated process. What are the office hours and location of the office that will provide the services located?
- **Process:** Detail the extent of the search process that is being proposed in relation to this solicitation. Describe the development and process of a profile that will be used in the search process and what the Consultant estimates to be a reasonable schedule in successfully engaging an Assessor. Define the methods and best practices that will be used in the search process and describe the assistance, materials, and time allocations to be furnished by Gloucester County in this initiative. Provide a statement as to how non-traditional candidates will be recruited and presented for consideration. In particular, provide ‘out-of-the-box’ strategies for recruiting executive candidates that may not possess municipal backgrounds, but are leaders in other occupations. Finally, describe the Consultant’s obligations if the search process does not produce a successful candidate.
- **Fees:** Describe all fees required for the performance of the requested services.
 - a. An itemized list of fees for each provided service.
 - b. A payment schedule with each payment linked to a service deliverable or identifiable point in the project.
 - c. A fixed price for all travel required to perform the proposed project as well as any additional travel cost for any supplementary services requested by Gloucester County (i.e. per trip; per diem; etc.).
 - d. A listing of cost for any additional consulting services associated with the project, listing the consulting type.
- **References:** Provide references from local government entities or clients for services performed similar to the scope desired in this solicitation that can verify the quality, competency and professional skills of the firm. A minimum of three (3) references (preferably in Virginia) are desired.

Evaluation Criteria

Each proposal will be evaluated in compliance with the RFP instructions to the offeror and any mandatory terms and conditions set forth within the solicitation document. The objective of the evaluation will be to recommend the firm(s) who is the most responsive to the expressed needs of Gloucester County. Proposals will be evaluated with the following criteria:

- A. Experience, Qualifications and Capacity of the offeror to perform the desired services included in the solicitation.
- B. Understanding of Gloucester County service needs and the offerors expressed ability to provide the various processes identified in this solicitation.
- C. Firm’s current workload and the ability to assign the needed resources to the service needs in a rapid and professional manner.

- D. Acceptability of the provided references for comparable services performed by the firm.
- E. Reasonability of Fees.

Evaluation Process

Proposals will be evaluated and interviews may be scheduled with selected firms in accordance with the “other than professional services” method of selection outlined in § 22-52 of the *Code of Gloucester County, Virginia*. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposals (RFP). Interviews may then be conducted with selected offerors. After interviews and negotiations have been completed, the County will select the offeror, which, in its opinion, has made the best proposal, and will award the contract to that offeror. Should the County determine that only one offeror is fully qualified or that one offeror is clearly more highly qualified than others, a contract may be negotiated and subsequently awarded to that offeror.

Award

Award shall be made to the responsible offeror whose proposal is determined, in writing, to be the most advantageous to the County, taking into consideration price and the evaluation factors set forth in the request for proposals per § 22-50 of the *Code of Gloucester, Virginia*. The contract file shall contain the basis on which the award is made. The award of a contract shall be the sole discretion of the County. The award shall be based on the evaluation of all information as the County may request. The County reserves the right to make multiple awards as a result of this solicitation. The County reserves the right to accept or reject any or all proposals in whole or in part and to waive any informality in the RFP.

Method of Payment

The Consultant will be paid on the basis of the invoice submitted to the Gloucester County Finance Department after services have been provided and acceptance has been indicated by the designated representative of the GCBS. All payments will be made in accordance with the Code of Virginia’s Prompt Payment provisions. *Code of Virginia §2.2-4347 & 2.2-4352*

Debriefing

The County will keep all information regarding the identification of the persons or firms making offers or the contents of any offers as confidential. This information will only be available after an award or decision to award has been made. After an award is made, or the decision to make an award is made, the debriefing process will consist of the procurement file being made available for review in the Central Purchasing Department. Central Purchasing staff will not meet with offerors to discuss the file. Offerors should make an appointment to review the file during normal business hours, 8AM–4PM, Monday – Friday.

Trade Secrets/ Proprietary Information

Trade Secrets or Proprietary information submitted by an offeror, relating to a procurement transaction, shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protections of this section prior to or upon submission of data or other materials to be protected and state the reasons why protection is necessary. Information leading to the award decision, including prices and other factors, shall be made public after an award decision is made.

Please mark one:

- No**, the submittal I have turned in does not contain any trade secrets and/or proprietary information.
- Yes**, the submittal I have turned in does contain trade secrets and/or proprietary information.

If **YES**, please list the page numbers and the reasons for why the information is considered a trade secret and/or proprietary information. **Do Not Mark the Whole Proposal Proprietary.**

Gloucester County Job Description

POSITION: Assistant Director of Utilities
DEPARTMENT: Utilities
JOB CODE: 249
FLSA: Exempt

GENERAL STATEMENT OF JOB: Under direction, performs complex professional, technical, administrative, and supervisory work related to the operation, expansion, and planning of the County's water transmission, storage, and distribution systems as well as the County's wastewater collection, pumping and transmission systems. Responsible for programming the maintenance and improvement of the County's water supply reservoir and water treatment plants (surface water and reverse osmosis). Working within broad policy and organizational guidelines, independently plans and implements projects and reports progress of major activities through periodic meetings with supervisor. Employee must exercise initiative, independent judgment, tact, and courtesy in the performance of job duties. Reports to the Director of Utilities.

ESSENTIAL JOB FUNCTIONS:

1. Serves as project manager/project engineer for department projects affecting water supply, treatment, transmission, storage, and distribution systems; interacts with and coordinates work of consulting engineers, developers and contractors.
2. Serves as project manager/project engineer for department projects affecting wastewater collection, pumping and transmission systems; interacts with and coordinates work of consulting engineers, developers and contractors.
3. Assists Director of Utilities in day-to-day operations by ensuring regulatory reports, technical reports, other documents, and letters are prepared as needed to develop and present reports and matters to regulatory agencies, the Board of Supervisors, County Administration, and the general public as required.
4. Assists Director of Utilities with regulatory efforts and initiatives for compliance with applicable federal and state regulatory and performance standards by ensuring the daily operations of the water and wastewater systems are compliant with water quality standards prescribed by the Virginia Departments of Health, Environmental Quality, and Conservation and Recreation and the US Environmental Protection Agency.
5. Reviews the Water Plant maintenance/repair/replacement (FMRR) projects requested by the Water Plant Manager.
6. Recommends hiring, promotion, transfer, discipline, termination, etc.; reviews and evaluates requests for training to ensure all plant staff receive needed recurrent training as well as training needed for professional development; resolves problems as non-routine situations arise.
7. Oversees the establishment and management of a preventive maintenance plan for the County's water supply and wastewater systems.
8. Reviews and approves technical plans and specifications for water and wastewater system expansion and improvement.
9. Reviews development plans for compliance with regulations.
10. Develops Standard Operating Procedures and Policies for consideration of Director of Utilities and County Administration.
11. Assists Director of Utilities in development of annual budget for operating expenses by tracking and monitoring costs associated with operation of the water and wastewater systems to create data-driven budget requests.

12. Maintains and organizes Public Utility network files and data. Develops, manages and updates computerized water and sewer models.
13. Assists Director of Utilities in developing Capital Improvement Program (CIP) and Facility Maintenance/Repair/Replacement (FMRR) Plans for the water and wastewater systems to meet changing regulatory requirements and system operating conditions by identifying/recommending upgrades, modifications, or improvements to equipment and facilities. Plans and implements approved activities within normal budgetary procedures.
14. Provides tours of water and wastewater facilities to various groups.
15. Serves as Director of Utilities when designated in the absence of the Director of Utilities.
16. Performs other duties as assigned.

EMPLOYEE UTILIZATION IN ADVERSE WEATHER AND EMERGENCY CONDITIONS

All Gloucester County employees are subject to being assigned to specific positions and tasks during a "Declared Emergency" as support personnel, by the County Administrator, the Emergency Management Director, or the Emergency Operations Plan (EOP). Once assigned, this would be the same as a regular work assignment and all policies and procedures for duty assignments apply. (Please see Gloucester County Administrative Policy 101.1 - Employee Utilization in Adverse Weather and Emergency Conditions.)

JOB LOCATION AND CONDITIONS:

Duties are performed indoors in an office environment and at assigned County location outdoors in all types of weather conditions.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:

Broad knowledge of civil engineering and computer modeling as it pertains to water and wastewater systems.

Broad knowledge of all federal, state and local regulations with regard to the operation and maintenance of a municipal water system.

Broad knowledge of the principles of plumbing and hydraulics as related to water systems. Has considerable knowledge of the occupational hazards and safety precautions of utilities work.

Broad knowledge of the current literature, trends and development in the field of utilities operations and administration.

General knowledge of the operating principles and practices, and maintenance requirements of water systems, and plant equipment and machinery utilized in water supply and treatment operations.

General knowledge of the engineering, chemical and bacteriological principles and practices related to large-scale water supply and treatment operations.

General knowledge and experience with ARC-GIS and CAD programs and applications.

General knowledge of personal computers and commonly used Microsoft Office software products to include Outlook, Access, Power Point, Word, and Excel; specialized programs and the internet.

Ability to prepare correspondence, reports, forms, budgets, studies, construction estimates, purchase orders, etc., using prescribed formats and conforming to all rules of punctuation, grammar, diction, and style.

Ability to establish and maintain effective working relationship with municipal and State officials, developers, and contractors and as otherwise necessitated by work assignments.

Ability to speak before groups of people with poise, voice control, and confidence.

Ability to communicate effectively and efficiently in a variety of technical or professional languages including engineering, legal, accounting, mechanical, and electrical terminology.

Ability to "catch on" or understand instructions and underlying principles; to reason and make judgments; to understand and follow oral and written instructions; to make decisions in accordance with established procedures and policies; to guide and/or give instructions.

Ability to understand meanings of words and ideas associated with them and to use them effectively. To comprehend language, to understand relationships between words, and to understand meanings of whole sentences and paragraphs. To present information or ideas clearly. Ability to speak/talk, hear/listen and read.

Ability to perform arithmetic operations; to perform accurate calculations aided by calculator, adding machine or measurement device.

Ability to comprehend forms in space and understand relations of plane and solid objects.

Ability to perceive or comprehend by the sense of sight, discriminate between colors (color perception), and determine distance relationship between objects (depth perception).

EDUCATION AND EXPERIENCE:

Possession of a Bachelor's degree in civil engineering, or related field.

Five (5) to seven (7) years of progressively responsible work experience dealing with municipal water systems, maintenance, and construction, and three (3) years of supervisory experience; or an equivalent combination of training and experience which provides the required skills, knowledge and abilities.

NECESSARY SPECIAL QUALIFICATIONS:

Possession of a valid driver's license; possess and maintain a driving record that meets established Gloucester County Driving Standards.

Possession of Virginia Professional Engineer (PE) license.

PHYSICAL REQUIREMENTS:

C = Continuous – over 6 hours a day F = Frequent – between 3 and 6 hours a day	O = Occasional – less than 3 hours a day I = Intermittent–several times a week/month	P = Periodic – several times a year N/A = Not applicable to position
