Gloucester County is assessing the economic impacts to local businesses due to the threat of COVID-19, in an effort to report them accurately to state and federal partners. Additional assistance may be available if the County reaches certain thresholds in overall impact. We ask all local business partners to report any economic impacts to Gloucester's Business Recovery Coordinator, Sherry Spring, on a weekly basis so that we may better assist you. Please email reports every Friday by noon each week with any losses you incur.
